

Four Forts Cream Tea Cruise 1st July 2017

Following the coach journey to Gosport we all gathered at the Ferry Terminal to await the boat to take us on our cruise.

The sea was calm and not only did we see the forts but also part of the "Round the Island Yacht Race". Sat outside it was difficult to hear the commentary but it was so pleasant in the sunshine we didn't mind.

The cream tea was delicious and I was pleased to have it as my lunch!

A lovely trip, enjoyed by all. Thank you Jean for organising.
