

THE FESTIVAL OF LIGHT AT LONGLEAT

SATURDAY, 18TH NOVEMBER 2017

"Once upon a time, in a land surrounded by wonder, where lions roar, Christmas trees sing, and stones come to life, there was a Festival of Light.

This winter stunning Chinese lanterns will light up Longleat once more and bring to life the magic of storytelling. Drawing inspiration from tales new and old, visitors will be transported into a world of fantasy - a land where mermaids swim, princesses live, firebirds fly and dragons roar."

On arrival at Longleat our coach will take us on a drive through the safari park (excluding the monkeys).

After this you will have time to explore at your own pace. Longleat House is going to be decorated for an authentic, grandiose Edwardian Christmas with live characters dotted throughout to make you really feel like you travelled through time.
