

POOLE GREYHOUNDS

"Went to the DOGS!"

Seventeen of us went off to the annual visit to Poole Greyhound Stadium on the 4th April. This time we

were in the restaurant where we had a two course meal. The seats were ours for the evening and everything was waitress service including a lady who took our bets

and brought any winnings back (not mentioning any names) some of us won and some didn't. Although we were not home in time for cocoa, a good evening was had by all.

Maybe my luck has run out now - will we go again? It's up to our travel supporters. We broke even this time so thanks to U3A members and friends.
