

A message from Stephe re. U3A Summer Schools 2020 near you:

Cirencester and Chichester are the nearest Summer Schools to Verwood, although there are others a little further away listed on the U3A website.

These summer schools are great fun, should you wish to give them a try. Having been three times and thoroughly enjoyed each one, I can answer any questions you may have.
(stephiecox@yahoo.co.uk)

Here are the dates and subjects offered for each location:

Royal Agricultural University, Cirencester, Monday 7th to Thursday 10th September 2020
