

ARUNDEL TULIP FESTIVAL 26TH APRIL 2018

We had a lovely trip to Arundel castle. This visit included being able to take part in the wonderful Tulip Festival which they hold each year. We were able to wander around the gardens and see so many beautiful tulips.

My favourites were in the Stumpery and also the white garden which was full of white tulips and white wallflowers in front of the Chapel. Then we were lucky to be able to wander around the castle and, if you were fit, climb the 131 steps up to the castle ramparts which enabled you to have some amazing views of the surrounding area.

We had an enjoyable lunch in the cafe followed by another stroll in the gardens. Then a stroll into town and along the river where we found a riverside cafe. Our members all felt this was a lovely trip and thank you to them for making it so.

Chris Ollerenshaw.
