

BLUE POOL, WAREHAM AND BOAT CRUISE TO POOLE 26th May 2017

Once more we were blessed with lovely weather for our day out.

First of all we drove to the Blue Pool at Wareham with time for a very pleasant walk around the pool. Following time for coffee and a look at the Wareham Bear's Museum we returned to the coach for the short journey into the town.

We had time to wander around the shops, lunch and a sit by the river before we caught a boat for the cruise back to Poole where our coach was waiting to return us to Verwood.

Many thanks Sue for organising such a pleasant day out.
