

HAMPTON COURT PALACE FLOWER SHOW 7th July 2017

On a very sunny and hot day we drove to Hampton Court for a very enjoyable but tiring day. Walking round to see the stands at our own pace was very pleasant. The facilities were plentiful with no queuing. The ticket price, negotiated by the U3A National Office, was very advantageous though early payment was essential.

Just a couple of notes I received following the trip:

1. Just a brief note to thank you for organising yesterday. Although my friend and I didn't go to the Flower Show, it looked to me from the exhausted faces on the coach yesterday that a good day was had by all. Sue Wallis

2. Just to thank you for organising yesterday's outing. The travel timings worked out really well, I have never had such an easy journey, and was even home in time to see all the gardens I had missed on TV! Doreen Bromley

Thank you all for your support. Sylvia Page
