

The u3a radio podcast has now launched on podcast platforms, including Apple, [Spotify](#) and [Google Podcasts](#). The episode can also still be listened to on our [u3a YouTube channel](#), with captions.

In the January episode, the team discuss the Kindertransport learning initiative, talk to a member of u3a in Australia and hear about the milestone of 5,000 trees being planted in the u3a 40th anniversary wood.

If any member has a story to share with u3a radio, please [get in touch](#).
