

Salisbury Theatre Trip

"Our February trip was to see the Worst Wedding Ever, a comedy at the Salisbury Playhouse. The comedy was brilliant, very funny and true to life. All our members said they thoroughly enjoyed it. Quite a lot of members said what a wonderful theatre The Playhouse is. People made their own way to Salisbury and then had free time for a wander and lunch beforehand. Several members have asked if we could make this an annual event. Hopefully we can. Thanks to everyone who came and so glad you all enjoyed yourselves. **Chris Ollerenshaw, part of the Travel Group**"
